

Handelsbanken Capital Markets is Handelsbanken's investment bank. It is responsible for Handelsbanken's transactions in the fixed income, foreign exchange and stock markets, including macroeconomic, equity, credit and financial research, corporate finance, debt capital markets and structured products. 900 staff on three continents specialise in financial solutions for Nordic requirements. Handelsbanken Capital Markets is an integrated part of Handelsbanken, which has over 600 branches, operations in 20 countries, total assets of SEK 1,790 billion and an operating profit for 2006 of SEK 17.2 billion. The Bank has around 10,000 employees.

Financial editor - Five-month contract

We need a talented individual to join our equity and fixed income research editing team, which is responsible for editing research reports and presentations written in English on several hundred listed Nordic companies.

Based in Stockholm, the editors support analysts from Sweden, Norway, Denmark and Finland. The position will give you the opportunity to work with one of the most respected Nordic equity and fixed income research teams in a fast-paced, dynamic environment.

KEY RESPONSIBILITIES

- Ensuring the content of research is unbiased and commercially focused
- Checking the flow, structure and consistency of arguments
- Editing for grammar, spelling and house style
- Liaising with analysts to agree changes and to set deadlines
- Developing analysts' writing skills

KEY REQUIREMENTS

- Native English speaker
- Experience of editing commercial texts in Microsoft Word
- Resilience to work long hours under pressure when necessary
- Good understanding of financial terminology/business concepts
- Energy and motivation to work quickly and accurately
