

“Our **VIP facilities**
aren't for just anybody. Naturally
our **sales opportunities**
aren't either.”

International Opportunities Corporate Sports Sales Executives

London Berlin Amsterdam Barcelona Stockholm Leipzig Chicago LA San Diego Houston Toronto
Vancouver Sydney Melbourne Tokyo Atlanta Singapore Hong Kong Seoul Johannesburg Cape Town

As a **Corporate Sports Sales Executive** this is your chance to start your career in a company that will provide you unlimited opportunities to prove your ability, and be rewarded directly the results you achieve through overseas postings and an uncapped commission structure that will give top performers the opportunity to fast track career progression that will see them in a management position within 6–18 months.

You will receive full training in all aspects of business to business sales, from researching the relevant clients to presenting and confirming big value deals exclusively over the telephone at a director level.

smg can provide this level of opportunity as we pride ourselves on organic growth, and with offices planned for Italy, New York, South Africa and Dubai this year as well as increasing the size of our existing offices, you can see the opportunities for successful candidates are endless.

Add to this, access to the most exciting product schedule with over 350 of the World's top sports events to sell, including the **World Cup Football 2010, and Rugby, Olympics, Ryder Cup, Super Bowl, Wimbledon and the Grand Prix**, there is no limit to what can be achieved.

Successful sales people will possess

- A burning desire to work within sales.
- A strong determination to succeed
- An ability to work both on your own and within a team
- The drive to work beyond the traditional 9–5 in a challenging role
- Fluency in English, other languages an advantage

Our commitment to you

- The opportunity to work within a young, inspiring and international company
- Interesting career opportunities within our 31 offices located world-wide
- An attractive performance based salary
- Continual internal training and development
